

ALASKA

STATE GEOGRAPHIC BOARD

30th Meeting

April 4, 1968

The meeting was called to order at 10:15 A.M. Members present at the meeting were:

Keith Hart - Department of Highways
Keith Hogan, State Museum
Phyllis Nottingham - Historical Library
Robert Isaacs - Department of Education
Alfred E. Widmark - Local Affairs Agency

The minutes were read and stood approved as read.

The following names which were submitted by Vin Hoeman at a previous meeting were approved by the Board:

✓ Parka Peak
✓ Peeking Mountain
✓ Cantata Peak
✓ Symphony Lake
✓ Skookum Glacier
✓ Tincan Peak
✓ Magpie Peak
✓ The Angel
✓ Babel Tower
✓ Golgotha
✓ The Apocalypse
✓ Avalanche Spire
✓ Mt. Hesperus
✓ Revelation Glacier

Names disapproved by the Board are:

Southwest Buttress of Mt. Foraker (inadequate justification for naming feature of Peak)
Icy Peak (not in harmony with previous suggested names)
White Icing Mountain (justification inadequate)
Ugly Glacier (not in keeping and derogatory)

Action on the name "Silvertip" was deferred until more information is received from Charles Wilson.

A motion was made by Phyllis Nottingham and seconded by Keith Hart to accept the name "Revelation Mountains" which was submitted by David S. Roberts. All in favor.

Keith Hart said that he would write to the American Alpine Club for a list of names and addresses of clubs concerned with naming Alaskan features.

The Board decided to send a copy of their letter, to the American Alpine Club,

UNITED STATES DEPARTMENT OF THE INTERIOR
BOARD ON GEOGRAPHIC NAMES
WASHINGTON 25, D. C.

**PROPOSAL OF NAME
FOR AN UNNAMED DOMESTIC FEATURE**

Proposed name

Tincan Peak

State

Alaska

County

Pronunciation, if not obvious (use Webster's Dictionary symbols)

Location of Feature
Latitude 60° 44' 22" N.
Longitude 149° 05' 40" W.
Section(s) 33,34, T. 8 N., R. 2 E., Seward Meridian

Description and extent of feature: Mountain, elevation 4450 plus or minus 50

Distance and direction from prominent features or towns: 8 miles SW of pre-earthquake Portage at the head of Tincan Creek. 1 mile south of Kickstep Mtn., 4660.

Basis of knowledge that the feature is unnamed: Seward C-6 quad has no named mountains. This has been the local name for this mountain for 5 years.

Reason for Choice of Name:
 descriptive of location other (state reason). No other mountain so named
 for a nearby feature
 for a person

If the name is descriptive, state why it is appropriate:

If named for another feature, state for that other feature:

1. Name Tincan Creek Lat. 60° 45-48' _____ " N. -- Long. 149° 05-13' _____ " W.
 Section(s) 13,14,18,20, T. 8 N., R. 2 E., Seward Meridian

2. Any known variant spellings or other names:

3. Number of years known by present name: reported as local in 1912, so at least 55

4. Relation of the two features: Tincan Creek has its head at Tincan Peak

If the name commemorates a person, state:

1. Full name of the person: _____
(do not propose name of a living person)
2. Date of the person's death: _____
3. Last residence: _____
4. Association, if any, of the person with the feature to be named: _____

5. Brief biography:

List any
Attached
Identification
Aids

Marked map: easily located on Seward C-6 quad (have Seward D-6 too)
Marked photographs:
